Welcome to Grounsell Park

Good afternoon and welcome to Grounsell Park where today we face Boldon. Welcome to all the players, committee and fans who have made the journey over from Boldon.

After a superb win in our last home match against Tow Law Town who have been a bit of a bogey team for us, it was disappointing to not get a result last weekend away at Willington, but it has to be said that against Willington, Hall Lane hasn't always been a happy hunting ground for us. So we'll be looking to bounce back with a good win today.

But let's not underestimate Boldon, they're a very good side and a free scoring one, in Levi they have the leagues top goal scorer currently so we'll need to be at the top of our game.

Our next match is also at home when we face Durham City. It's been moved to the Friday night so it's a rare opportunity to watch the lads under the Grounsell Park floodlights. If you're free make sure you get along and give the lads your support. We're coming towards the end of the season and every point counts. The lads really respond well to a big crowd and especially one that gives them vocal encouragement. So you can do your bit towards the push for the P word.

The weekend after is probably the biggest game of the season so far for us when we go to Easington. You don't need me to tell you that they are our main rivals for the P word so again we need as many of you as possible there for what could be a huge point in the season for us. Get down and back the lads to victory.

As things stand we still have seats available on the coach to Redcar Town but you'll need to get in there quick. Please see the club shop on the website to book your seat.

Heaton Stannington - a history

Although officially founded in 1910, Heaton Stannington were in existence by 1903 and playing at Miller's Lane on the site of the current Fossway. The club name originates from its links with the Stannington Avenue area of Heaton.

In 1903-04 they finished fifth in division 2 of the Newcastle and District Amateur League. In December 1904, they resigned from the league with the reserves also appearing to have resigned from the Northern Amateur League (NAL) and there is no further record of the team until 1910. This suggests that they might have folded and then reformed nearly six years later. The summer of 1910 saw Heaton Stannington field a cricket team. The next football match played by the Stan appears to have been on 24th September 1910 when they were beaten 4-1 by Sandyford.

From at least 1913, home games were taking place at Paddy Freeman's Park. The club played friendly matches until joining the Tyneside Minor League in 1913 and NAL Division Two in 1914. The club were elected to membership of the Northumberland FA (NFA) on 10 September 1914, just over a month after the start of the First World War. The Stan stopped playing until 1919 as at a NFA emergency meeting on 24 November 1914 it was announced that the club were unable to take part in a Minor cup replay 'on account of not being able to raise a team as so many of their members had joined the army.'

The club spent the next 19 years in NAL Division One and gained their first trophies in 1934 and 1936 when they won the Tynemouth Infirmary Minor Cup and NAL Challenge Cup respectively. The first glory season came in 1936-37 when the club won NAL Division One, were Northumberland Amateur Cup winners and NAL Challenge Cup runners up. The reserves were also NAL Division Two runners up. For one season, 1938-39, the Stan participated in the Tyneside League and were runners up. By the 1930s the team were playing at the Coast Road ground. In October 1935, they started playing at Newton Park in High Heaton on the site of a recently filled-in quarry. In 2007, the ground was renamed Grounsell Park in honour of the service given, both on and off the pitch, by Bob Grounsell.

One of the most memorable matches played there took place in July 2012 when Heaton Stannington were beaten 4-0 by the Gabon national side. This warm-up match for the Olympics included an appearance by Pierre-Emerick Aubameyang.

The club were elected to the Northern League in 1939. They only managed one season in the league before it was suspended for the duration of the Second World War. The league restarted in 1945 but Heaton Stannington were elected, until 1946, as a non-playing member as their ground was being used by the military. After 5 consecutive bottom three finishes, the club resigned at the end of the 1951-52 season and joined the Northern Alliance until 1956.

The next 16 seasons included involvement in the NAL (1956-59), North Eastern League (1959-60) and the Northern Combination (1960-72). In 1972 the club stepped up to the Wearside League and remained there for ten years. They were forced to resign from the league in 1982 for financial reasons due to the club trustees, who had formed a limited company in 1968, putting the annual rent up from £400 to £1500.

The company then tried to build a supermarket on the ground but the planning application was defeated. In 1983 the High Court ruled that the ground belonged to the football club and the company had to relinquish ownership. The team played in the Tyneside Amateur League (TAL) during 1982-83 as Heaton United. Back as Heaton Stannington, they won the TAL in 1983-84 which was only their second league title up to this point. The next 2 seasons were spent back in the NAL where they were champions in 1985-86 as well as winning the Northumberland Minor Cup and the C&E Injections Service Shield.

For the next 27 years the club were in the Northern Alliance. After two relegations to Division One, the Stan achieved stability by spending 9 seasons in the Premier Division. The club won their highest level league trophy when they became Champions in 2012. In 2012-13, they achieved the treble by not only retaining the title but by also winning the Northern Alliance League Cup and the Northumberland Senior Benevolent Bowl.

From 1911 to the financial crisis of 1982, the club had a competitive reserve team. It played much of the inter war years in the North Eastern Amateur League before rejoining the NAL on and off for nearly fifty years but with a five-year spell in the 1960s, including two runners up spots, in the TAL. The club had an 'A' and 'B' team for 2016-17 before these teams reverted back to their previous name of Newcastle Chemfica. A reserve side was re-established in 2019 and they play in the Northern Alliance 4th tier development league. In their first season, they reached the final of the Neville Cowey Cup.

For season 2013-14, after a gap of 61 years, the Stan returned to the Northern League. They were in the promotion race throughout the season and finished 5th. They then finished 9th and qualified for the FA Cup for the first time in 39 years. Season 2015-16 saw the Stan again finish 9th and they also reached the semi-final of the Northumberland Senior Cup against Blyth Spartans. In 2016-17, the Stan surprised many by just missing out on promotion in the 2nd last game of the season, coming 4th after winning 11 games in a row starting in January. In 2017-18 & 2018-19 they were again in the promotion race until the 2nd last match, ending 5th and 4th respectively. Due to covid, the 19-20 season was declared null & void with the Stan still challenging for promotion in 5th place after 28 games. Last season was also abandoned with the Stan in 11th place having played 12 games.

Since the club gained promotion to the Northern League, improvements have been made to Grounsell Park including floodlights, a stand and a new terracing. These complement the existing facilities which include a bar serving real ale with the club being voted CAMRA Tyneside club of 2018 and 2020. Much of the success was due to Derek Thompson, manager 2002-21, along with the support of an increasingly large band of volunteers. In June, Dekka stepped down and was replaced by Dean Nicholson.

NEXT UP ON THE ROAD

On **Saturday 5th March** we travel to Easington in the league, 15:00 kick off. Come along and support the lads.

Heaton Stannington 3-1 Tow Law Town Ebac Northern League Division 2 5th February 2022

In a match marred by a very strong wind blowing down the pitch, but nevertheless both sides put on an entertaining match for 284 fans, with Heaton Stannington having to battle hard to come out victorious in a tough game, inflicting a first defeat on the visitors since 18 September, by 2 clear goals.

Dean Nicholson said, "It was the toughest game so far, they got the ball down, they played really well in good pockets of space. You are never ever going to get an easy game against them."

Unlike their previous home match against Ryton, Heaton Stann set off strongly, with the wind behind them and as early as the 4th minute a cross from Dan Stephenson on the left for Liam McBryde at the back post to head back and goalwards only for Thomas Orton to finger tip over the crossbar.

Stan were not to be denied, winning a corner on the right 3 mins later, with Stephenson putting the ball into the danger area, with the unfortunate Lawyers defender, **Joel Pearson** heading into his own net, under pressure from McBryde. 1-0

Repeatedly the visitors were caught offside, and H. Stan guilty of over use of the long ball, which often was swept by the wind to safety. Home keeper Dan Regan was almost a spectator with rarely a penetration into his half, and easy saves to make when they actually did. Lewis Murphy had a good match in the Lawyers midfield, working tirelessly for them without reward.

On 36 minutes Andy Burn yielded a corner on the right. It was the visitors first corner. But a foul on Dan Regan ended their excursion. They did better 5 mins later when Alfie Pearn's low shot went straight to Regan.

Leighton Hopper tirelessly looked for openings to shoot, but was either blocked, or the wind was the winner. Dean Holmes linked with Lee McAndrew and he put the ball into the box for McBryde, corner won. But just prior to the half time break, Holmes was penalised, with the free kick just outside the box, but the danger was cleared. HT 1-0

Heaton Stannington 3-1 Tow Law Town Ebac Northern League Division 2 5th February 2022

Some silky interplay between 3 HS players in midfield was appreciated by the home supporters who delighted to see them back to their passing game. Tow Law forward, Nicholas Marley, had a good game, a constant threat in the H. Stan half. On 51 minutes he was put through for a one on one with Regan, with home custodian saving the day.

But on 55 minutes they got their reward with the best goal of the match, when **Thomas McAloon**, out on the left flank, hit a 25 yard thunderbolt, and wind assisted, it flew into far corner for his 5th league goal of the season. No goalkeeper would stop that. 1-1.

Playing with the wind, and then the rain pelting in, would Tow Law now dominate and claim all 3 points?

Not at all, Stan reacted well, going ahead within 4 mins of that blow, from a set piece, with a super low left foot strike from around 12 yards from **Rhys Groves**. 2-1, The away team came narrowly close to another equaliser with a low shot deflected by a home defender and it crawled slowly past the far post for a corner, then Marley on 75 minutes headed just wide of the post.

Stan added a third goal on 80 minutes when they broke away with substitute Evan Howard hitting a good low shot which Thomas Orton got down well to save but it left an open goal for **Holmes**, and he made no mistake. 3-1 "

Howard continues to impress with his cameo appearances. "I will score one soon" Evan told me after the game. Stan fans are warming to him. "Loads of potential there" said Dean.

Good performances from Stephenson, Groves, Luke and Holmes, with home supporters voting David Luke as MOM.

Willington 1-1 Heaton Stannington Ebac Northern League Division 2 12th February 2022

Willington 15th in NL2 were in a run of poor results, having lost their previous 5 league matches, had 2 players suspended, 4 players injured, 3 players they had signed but were unavailable, and struggled to put a team together, with manager Ibbly Hassan rolling back the years, hasn't played in a match for two and half years, and he played the whole of the match, and could not have been prouder as they produced a performance beyond expectations, in defeating the league leaders by 2 goals to one.

The visitors started well, on 4 minutes Liam McBryde played a through ball for Even Howard, starting his first game, but Ibbly Hassan slid in to put the ball into touch. Two minutes later a McBryde header and keeper Carl Robinson dived full length to turn the ball away.

But a warning came from Willington on 7 minutes when Aidan Hart shot from the left side, with it just going over the bar. Andy Burn quickly responded with a low shot wide of the post.

But the unexpected happened on 16 minutes, a world class volley from **Hart** from 25 yards beat Dan Regan even though he was standing close to his goal line. No keeper would have stopped that! 0-1 His first goal of the season. What a way to start. Warm appreciation from all 86 who attended.

Back and forth both teams tried to attack, but both sides gave the ball away far too cheaply, and some crosses were not getting beyond the near post and so were easily dealt with.

On 34 minutes McBryde had a shot from the edge of the area, but once again Robinson dived full length to turn the ball away.

Heaton Stannington equalised on 41 minutes when **Howard** netted his first goal for the club, from close range after McBryde's effort hit the post. 1-1

Having equalised just prior to the break, I expected Stan would show their class, playing down the bank, up their efforts and go onto the win the match. Stan tried hard but could not get a goal.

A foul by Hart on Dean Holmes, gave Dan Stephenson a chance to whip in the free kick but McBryde headed over the bar.

Next goal was so important, and on 62 minutes another goal for Willington, from **Craig Moody**, who picked the ball up towards the centre of the field and moved forward, going left, and set himself up to shoot from the edge of the box, a low drive inside the near post with Regan unable to do anything about it. His 8th league goal this season. 1-2 Immediately Stan brought on James Proctor for Rhys Groves, but it was Willington now in front, and running the clock down was a frustration for Stan. Ashley Davis set up Josh Mills but he screwed his shot wide.

Stephenson interplayed well with Holmes to get into the home area but he fired wide, when well placed. On another day he would have scored. A clumsy tackle by Mason Burton on Howard, gave Stan a free kick on the left, but nothing came of it.

Kevin Carr replaced Howard. Proctor had shout for a penalty but the referee was not interested. Stann managed to create two final efforts, with the hard working Stephenson firing across goal and wide of the far post, and then he crossed for McBryde to head goalwards but Robinson dived to save.

Including this game Stann have managed just one point in the last four visits to Hall Lane. It's a tough place to go, and for me Willington are much better than 15th in the league. They have done the double over Ryton, beat neighbours Tow Law in the FA Vase, and won away at Birtley.

A tired but happy winning manager, would no doubt sleep well, whereas Dean said, ""A few more sleepless nights, with a lot to think about. Nine games to go, let's see if we can win the next one."

FT 1-2
