Welcome to Grounsell Park

As David Frost might have once said, hello, good evening and welcome to Grounsell Park, where tonight we welcome Newcastle University for an all important cup game. Neil's a regular visitor to the club, so welcome back Neil and also the staff, fans and players who have made the short journey over.

Tonight game is the long anticipated start to the leagues cup competitions which have been held up due to covid. It's a great chance for us to try and claim a bit of silverware so you can guarantee Dean and the lads will be right up for this tonight, but we will face stiff competition from the Uni who are a good side, so get behind the lads and give them you backing from the off. Hopefully we'll be in the hat at the end of the night.

After tonight we have two huge games in the league on the road. Saturday sees us facing our main title rivals Easington Colliery and a result for us good be hugely significant at this point in the season. We need as many as possible down there to back the lads, it's not too far away so if you can make it, please do join us there.

The week after we travel to Redcar Town will be a new ground for most of us and the Futbology nerds amongst us will be completing/re-completing the division or league, so there's much excitement. As with every game till the league is decided, this will be a massive game for us so please join us if you can. Let's face it, is either a day out in Redcar or the Metrocentre, it's a no brainer.

Back to tonight though, enjoy the game, get behind the lads and let's be in the next round come closing time.

See you in Easington.

Heaton Stannington - a history

Although officially founded in 1910, Heaton Stannington were in existence by 1903 and playing at Miller's Lane on the site of the current Fossway. The club name originates from its links with the Stannington Avenue area of Heaton.

In 1903-04 they finished fifth in division 2 of the Newcastle and District Amateur League. In December 1904, they resigned from the league with the reserves also appearing to have resigned from the Northern Amateur League (NAL) and there is no further record of the team until 1910. This suggests that they might have folded and then reformed nearly six years later. The summer of 1910 saw Heaton Stannington field a cricket team. The next football match played by the Stan appears to have been on 24th September 1910 when they were beaten 4-1 by Sandyford.

From at least 1913, home games were taking place at Paddy Freeman's Park. The club played friendly matches until joining the Tyneside Minor League in 1913 and NAL Division Two in 1914. The club were elected to membership of the Northumberland FA (NFA) on 10 September 1914, just over a month after the start of the First World War. The Stan stopped playing until 1919 as at a NFA emergency meeting on 24 November 1914 it was announced that the club were unable to take part in a Minor cup replay 'on account of not being able to raise a team as so many of their members had joined the army.'

The club spent the next 19 years in NAL Division One and gained their first trophies in 1934 and 1936 when they won the Tynemouth Infirmary Minor Cup and NAL Challenge Cup respectively. The first glory season came in 1936-37 when the club won NAL Division One, were Northumberland Amateur Cup winners and NAL Challenge Cup runners up. The reserves were also NAL Division Two runners up. For one season, 1938-39, the Stan participated in the Tyneside League and were runners up. By the 1930s the team were playing at the Coast Road ground. In October 1935, they started playing at Newton Park in High Heaton on the site of a recently filled-in quarry. In 2007, the ground was renamed Grounsell Park in honour of the service given, both on and off the pitch, by Bob Grounsell.

One of the most memorable matches played there took place in July 2012 when Heaton Stannington were beaten 4-0 by the Gabon national side. This warm-up match for the Olympics included an appearance by Pierre-Emerick Aubameyang.

The club were elected to the Northern League in 1939. They only managed one season in the league before it was suspended for the duration of the Second World War. The league restarted in 1945 but Heaton Stannington were elected, until 1946, as a non-playing member as their ground was being used by the military. After 5 consecutive bottom three finishes, the club resigned at the end of the 1951-52 season and joined the Northern Alliance until 1956.

The next 16 seasons included involvement in the NAL (1956-59), North Eastern League (1959-60) and the Northern Combination (1960-72). In 1972 the club stepped up to the Wearside League and remained there for ten years. They were forced to resign from the league in 1982 for financial reasons due to the club trustees, who had formed a limited company in 1968, putting the annual rent up from £400 to £1500.

The company then tried to build a supermarket on the ground but the planning application was defeated. In 1983 the High Court ruled that the ground belonged to the football club and the company had to relinquish ownership. The team played in the Tyneside Amateur League (TAL) during 1982-83 as Heaton United. Back as Heaton Stannington, they won the TAL in 1983-84 which was only their second league title up to this point. The next 2 seasons were spent back in the NAL where they were champions in 1985-86 as well as winning the Northumberland Minor Cup and the C&E Injections Service Shield.

For the next 27 years the club were in the Northern Alliance. After two relegations to Division One, the Stan achieved stability by spending 9 seasons in the Premier Division. The club won their highest level league trophy when they became Champions in 2012. In 2012-13, they achieved the treble by not only retaining the title but by also winning the Northern Alliance League Cup and the Northumberland Senior Benevolent Bowl.

From 1911 to the financial crisis of 1982, the club had a competitive reserve team. It played much of the inter war years in the North Eastern Amateur League before rejoining the NAL on and off for nearly fifty years but with a five-year spell in the 1960s, including two runners up spots, in the TAL. The club had an 'A' and 'B' team for 2016-17 before these teams reverted back to their previous name of Newcastle Chemfica. A reserve side was re-established in 2019 and they play in the Northern Alliance 4th tier development league. In their first season, they reached the final of the Neville Cowey Cup.

For season 2013-14, after a gap of 61 years, the Stan returned to the Northern League. They were in the promotion race throughout the season and finished 5th. They then finished 9th and qualified for the FA Cup for the first time in 39 years. Season 2015-16 saw the Stan again finish 9th and they also reached the semi-final of the Northumberland Senior Cup against Blyth Spartans. In 2016-17, the Stan surprised many by just missing out on promotion in the 2nd last game of the season, coming 4th after winning 11 games in a row starting in January. In 2017-18 & 2018-19 they were again in the promotion race until the 2nd last match, ending 5th and 4th respectively. Due to covid, the 19-20 season was declared null & void with the Stan still challenging for promotion in 5th place after 28 games. Last season was also abandoned with the Stan in 11th place having played 12 games.

Since the club gained promotion to the Northern League, improvements have been made to Grounsell Park including floodlights, a stand and a new terracing. These complement the existing facilities which include a bar serving real ale with the club being voted CAMRA Tyneside club of 2018 and 2020. Much of the success was due to Derek Thompson, manager 2002-21, along with the support of an increasingly large band of volunteers. In June, Dekka stepped down and was replaced by Dean Nicholson.

NEXT UP ON THE ROAD

On **Saturday 5th March** we travel to Easington in the league, 15:00 kick off. Come along and support the lads.

Heaton Stannington 5-2 Durham City Ebac Northern League Division 2 125h February 2022

Durham City played at a much improved level and contributed well in an entertaining match, but in the end the league leaders got back to winning ways with a Leighton Hopper hat-trick and a Liam McBryde brace to overcome a youthful side. It was the Citizens who started well, passing the ball around, and giving Stan much to think about. However Stan responded well when Dean Holmes collected the ball, racing forward with a good pass to James Proctor in the box, he was fouled and a penalty given. Returning from injury, **Hopper** made no mistake from the spot, on 11 minutes. 1-0

Connor Randall had a low shot straight at Dan Regan. Proctor, full of running, threaded a pass through to McBryde in the area, but Ben Girling came across to concede a corner. Dan Stephenson took it, with Hopper heading to an unmarked **McBryde** and he tapped in at the far post. 2-0

City's Lewis Heep had a low shot across goal and wide. Stan had a lovely inter-passing move with Proctor to Stephenson to McAndrew, through for McBryde but he headed straight to keeper Dean Carris. A McBryde half volley which Proctor tried to redirect goalwards, but it went wide. Back came City, a throw in from Ross Pearson to Randall whose shot bounced awkwardly, but Regan collected.

On 28 minutes Girling fouled Proctor on the edge of the area. Stephenson hit a low shot which Carris saved. But two minutes later, Stan made it 3-0 with a superb **Hopper** run, weaving through the left flank, firing low into the far corner of the net. Oh how Stan have missed the talents of Hopper. Home captain Ryan Bailey, had a good impact on the game, cover for the back four, but also managing a header which Carris saved. Stan nearly got a fourth in added on time when a Hopper shot was deflected for a corner, which McAndrew took, passing to Proctor and his delightful cross picked out McBryde but he headed over the bar. HT 3-0

Two goals in 3 minutes from City rocked home fans. On 48 minutes **Daniel Pringle** robbed Proctor in midfield and he surged forward with no one coming to tackle him, and he drove his shot inside the post. 3-1. Then **Ross Pearson** stroked a low shot into the corner, as again Stan failed to get a tackle in. 3-2.

Hopper – Hornsby – Holmes linked together with Holmes shot saved by Carris. 55 minutes McBryde and Holmes linked well, with Holmes giving the ball to **Hopper** who curled his shot into the net. Hat-trick and his 11th league goal of the season 4-2. A most important goal as City now had an uphill struggle. Stephenson had a 25 yard shot which Carris pushed away to McBryde who netted, but was offside.

McBryde was set up again but he was crowded out so he passed to substitute Evan Howard, whose shot brought out a marvellous save from Carris. From the corner Stan substitute David Luke headed over.

Two minutes into added on time with Holmes finding **McBryde** and he smashed his shot in for his 30th league goal of the season. 5-2

Another large crowd, 374 with home league total now 5,465. The total of fans watching Stan home and away in league matches now totals 7,474.

Good performances from Stephenson, Bailey, McBryde, and Holmes, with home supporters voting Leighton Hopper as SMOM.

Newcastle University Club History

NUAFC has established itself as one of the biggest, proudest and most successful clubs at Newcastle University. The club has gone from strength to strength in recent years, namely winning AU Club of the Year in 2017 and BUCS Northern 1A league title in the 18/19 season.

However on top of this we are one of very few university football clubs who compete outside of BUCS on the national scene. Attaining Northern League 2 status was a huge step for the club and a challenge we look forward to taking on, after winning the Northern Alliance Premier in the 17/18 season and gaining promotion last season. One of the core aims of the club is player development and prides itself on trying to play football the right way. This has led to players going on to represent England Universities.

NUAFC has established itself as one of the biggest, proudest and most successful clubs at Newcastle University.

We compete in three BUCS leagues with the first team playing in Northern 1A, the seconds playing in Northern 2B and the new third team starting up in 7B. Over the last few years the club has gone from strength to strength winning multiple BUCS titles and gaining recognition as the AU Club of the Year in 2017.

One of the core aims of the club is player development as well as representing the University on a national level. NUAFC also compete in two leagues on a Saturday: Northern Alliance Premier and the Corinthians league, both of which the 1st and 2nd managed to win in 17/18 season

During 2019/20 season we will compete in Ebac Northern League for 1 st time in Clubs history
