Welcome to Grounell Park

An unusual column tonight and no it's nothing to do with my world renowned dodgy typing skills. No it's that I'm typing up these notes for a match with no spectators attending it.

It's been a strange few months, I mean we're all more than used to the post season break, where we all get twitchy at the thought that we now have no excuse to put off that trip to Ikea, or the decorating. As the saying goes, we've been living in unprecedented times and I wasn't expecting to add on the end of the season to those long weeks of rattling around waiting for the new season to start. The least of our worries was this though and everyone at the club wishes to pass on our condolences to all those affected by this horrific virus and we wish a speedy recovery to those who are currently suffering the effects. Get well soon.

As always our merry band of volunteers sprung into action once the lockdown was eased and what a fantastic job they've done of getting the ground ready for whenever the season can start. Have to say, the pitch is looking as good as I've ever seen it. Without the time given over by our ground staff and volunteers we really couldn't do this, so I'd like to personally thank all involved for their efforts and for giving me something to do on a Saturday afternoon. Likewise I'd also like to thank Brian Pratt who does so much of the work that goes into the programmes for his help last season and for agreeing to carry on pulling the stats together this season.

It's been a busy time away from the ground maintenance as well with Dekka pulling together the squad, great to see so many of last seasons team, who I feel would have got that last promotion spot had the season been completed, staying for this season. Connor coming back was great to see as well, he had a brilliant season the last time he was with us and if he can repeat that form combined with the areas we strengthened last season, we've got to be contenders for promotion this season.

By now you'll have all seen that the friendlies have all been released, unfortunately under the current guidelines they will be played behind closed doors, but I think we can agree they will provide a good test for the squad and will hopefully show us what we have to look forward to once we can get back to watching the games.

One last thing to note is that a private punters club for horseracing run by supporters of the Stan that has been set up on Twitter to help raise funds for the club. Membership is limited and costs £10 per month. Points are allocated on you picking a winning horse and the winner at the end of the month shares the prize money, with the rest being donated to the club. If you're interested please contact @PuntStan on twitter.

Heaton Stannington - a history

Although officially founded in 1910, Heaton Stannington were in existence by 1903 and playing at Miller's Lane on the site of the current Fossway. The club name originates from its links with the Stannington Avenue area of Heaton.

In 1903-04 they finished fifth in division 2 of the Newcastle and District Amateur League. In December 1904, they resigned from the league with the reserves also appearing to have resigned from the Northern Amateur League (NAL) and there is no further record of the team until 1910. This suggests that they might have folded and then reformed nearly six years later. The summer of 1910 saw Heaton Stannington field a cricket team. The next football match played by the Stan appears to have been on 24th September 1910 when they were beaten 4-1 by Sandyford.

From at least 1913, home games were taking place at Paddy Freeman's Park. The club played friendly matches until joining the Tyneside Minor League in 1913 and NAL Division Two in 1914. The club were elected to membership of the Northumberland FA (NFA) on 10 September 1914, just over a month after the start of the First World War. The Stan stopped playing until 1919 as at a NFA emergency meeting on 24 November 1914 it was announced that the club were unable to take part in a Minor cup replay 'on account of not being able to raise a team as so many of their members had joined the army.'

The club spent the next 19 years in NAL Division One and gained their first trophies in 1934 and 1936 when they won the Tynemouth Infirmary Minor Cup and NAL Challenge Cup respectively. The first glory season came in 1936-37 when the club won NAL Division One, were Northumberland Amateur Cup winners and NAL Challenge Cup runners up. The reserves were also NAL Division Two runners up. For one season, 1938-39, the Stan participated in the Tyneside League and were runners up. By the 1930s the team were playing at the Coast Road ground. In October 1935, they started playing at Newton Park - in High Heaton on the site of a recently filled quarry. In 2007, the ground was renamed Grounsell Park in honour of the service given, both on and off the pitch, by Bob Grounsell.

One of the most memorable matches played there took place in July 2012 when Heaton Stannington were beaten 4-0 by the Gabon national side. This warm-up match for the Olympics included an appearance by Pierre-Emerick Aubameyang.

The club were elected to the Northern League in 1939. They only managed one season in the league before it was suspended for the duration of the Second World War. The league restarted in 1945 but Heaton Stannington were elected, until 1946, as a non-playing member as their ground was being used by the military. After 5 consecutive bottom three finishes, the club resigned at the end of the 1951-52 season and joined the Northern Alliance until 1956.

The next 16 seasons included involvement in the NAL (1956-59), North Eastern League (1959-60) and the Northern Combination (1960-72). In 1972 the club stepped up to the Wearside League and remained there for ten years. They were forced to resign from the league in 1982 for financial reasons due to the club trustees, who had formed a limited company in 1968, putting the annual rent up from £400 to £1500.

The company then tried to build a supermarket on the ground but the planning application was defeated. In 1983 the High Court ruled that the ground belonged to the football club and the company had to relinquish ownership. The team played in the Tyneside Amateur League (TAL) during 1982-83 as Heaton United. Back as Heaton Stannington, they won the TAL in 1983-84 which was only their second league title up to this point. The next 2 seasons were spent back in the NAL where they were champions in 1985-86 as well as winning the Northumberland Minor Cup and the C&E Injections Service Shield.

For the next 27 years the club were in the Northern Alliance, which became a 3-tier league in 1988 and saw the Stan placed in the Premier Division. After two relegations to Division One, the Stan achieved stability by spending 9 seasons in the Premier Division. The club won their highest level league trophy when they became Champions in 2012. In 2012-13, they achieved the treble by not only retaining the title but by also winning the Northern Alliance League Cup and the Northumberland Senior Benevolent Bowl.

From 1911 to the financial crisis of 1982, the club had a competitive reserve team. It played much of the inter war years in the North Eastern Amateur League before rejoining the NAL on and off for nearly fifty years but with a five-year spell in the 1960s, including two runners up spots, in the TAL. The club had an 'A' and 'B' team for 2016-17 before these teams reverted back to their previous name of Newcastle Chemfica. The Stan continue to have a successful over 40's side.

For season 2013-14, after a gap of 61 years, the Stan returned to the Northern League. They were in the promotion race throughout the season and finished fifth. In their second season back, they finished ninth and qualified for the FA Cup for the first time in 39 years. Season 2015-16 saw the Stan again finish ninth and they also reached the semi-final of the Northumberland Senior Cup against Blyth Spartans. In the league there was a memorable 3-2 home win over champions South Shields. In 2016-17, the Stan surprised many by just missing out on promotion in the 2nd last game of the season, coming fourth after winning 11 games in a row starting in January. In 2017-18 they were again in the promotion race until the second last match, ending fifth. Last season after a slow start the Stan put an incredible run of wins together, ultimately finishing the season in 4th.

Since the club gained promotion to the Northern League, improvements have been made to Grounsell Park including floodlights and a stand. These compliment the existing facilities which include a bar serving real ale, with the club being voted CAMRA Tyneside club of 2018. Much of the recent success is a result of the commitment and work of an increasingly large band of volunteers affectionately known as the **Stan Army**.

Hebburn Town Club History

There'd been plenty of teams before 1912, of course, notably Hebburn Argyle – kicked off in 1882 by Father Toner, the priest at St Aloysius's. The town had so many Scots, they became known as the Tyneside Highlanders. Pre-World War 1 derbies with Jarrow would attract crowds of 8,000. The Geordie town also had Shinty and Curling Clubs and even an annual Highland Games, organised by the Hebburn Celtic Society.

Alphonse Reyrolle had actively encouraged his workers to take part in sport, including "barefoot" football, and formed the Employees' Benevolent Association. The team formed in 1912, elected to the second division of the Jarrow and District Junior League, was suitably bootered, however.

They progressed, flourished in the 1930s, had a wartime season in the North Eastern League, won the Durham Challenge Cup in 1943, and returned to the Northern Combination where they stayed until 1958. In 1959-60, Reyrolles had another season in the terminally ailing North Eastern League but finished bottom with just eight points.

The club then had 28 seasons in the Wearside League, and won the league in 1966 and the Monkwearmouth Cup in 1968.

In 1988, following the demise of the iconic engineering company A. Reyrolle, the name was changed to Hebburn and application made to join the Northern League. The ground was improved and other clubs canvassed.

The break, however, came when North Shields created a vacancy by deciding to play elsewhere. The team played its first Northern League game on August 19 1989, winning 2 -1 at Shotton Comrades, won promotion and the Durham Challenge Cup in 1992 but were relegated. They won the Craven Cup in 1999-2000.

In season 2011/12, Hebburn reached the FA Cup final qualifying round and secured promotion in third place which took the team up to the first division

In 2012/13 Hebburn Town met their target of staying in the first division after a nerve racking end to the season. During the close season however manager Paul Bennett decided to leave the club for Jarrow Roofing along with his assistant Dean Nicholson.

The squad in 2017/2018 season had a magnificent run from Jan 2018 – May 2018 that seen the Hornets record just 2 losses in all competitions, this fine form secured promotion to the Ebac Northern League Division One.

In their first season back in Division 1, Hebburn finished as runners up and then manager Scott Oliver took the side to the fifth round of the FA Vase.

The Vase run was remarkable as the home attendance record was broken twice. 1,302 people attended the game against City of Liverpool in the first round, and 1,310 people were at the game against West Auckland in the fifth round.

Scott Oliver resigned as manager in the summer of 2019, and reserve team manager Kevin Bolam has stepped up to replace him.

Hebburn Town has now enjoyed 30 seasons and over 1,000 games in the Northern League. Hopefully, they will continue to build on their great legacy for another 1,000 games.

Carlisle City 0-3 Heaton Stannington 07th March 2020 - EBAC Northern League Div 2

It was a depleted Stan that travelled to Carlisle for a massive 6 pointer with Hall, Ray, Stoddart, Bailey, Charmey, Burns and Wright all missing for one reason or another. The hosts had won their previous 5 league games and sat one place higher than us in the table in 6th place.

The Stan were straight on the front foot with Kirkup bringing down Fiedler and Kerridge's free kick whistling wide in the first minute.

Atkinson was shown the first yellow card of the game for a cynical foul and the Ref angered the Stan by not playing an advantage as Mason broke clear but the anger turned to cheers within a minute as Fiedler broke into box and avoided two challenges before shooting past Townsley to open the scoring.

It looked for a minute that we might have an 'Eric Dier' as Kirkup remonstrated with a City fan who was unhappy with the defending leading to the goal but common sense prevailed.

On 24 minutes the impressive Wilson pulled up with a hamstring injury and was replaced by Baxter who was less than 100% fit himself, fit or not it made no difference as he had an immediate impact when a corner was cleared to him on the edge of the box and he had time and space to curl a fine finish into the top corner to put the Stan two up inside 26 minutes.

HT: Carlisle City 0 - 2 Stan

The second period started with the hosts down to 9 men for the opening 9 minutes and during this time the Stan moved the ball around very well and forced a succession of corners but the closest they came to increasing the lead was when Simpson and Paterson combined and the cross was hacked clear from inside the 6 yard box.

Baxter then sent Paterson away but Townsley again denied him with a save at his near post but from the corner Kerridge brought the house down with a stunning finish from 25 yards. There didn't seem to be any danger when the corner was cleared to him but he swivelled through 90 degrees and thumped the sweetest of left foot volleys past the bemused Townsley to give the Stan a three goal advantage. A bobble slowed him down and the chance ended with Kerridge being crowded out.

FT: Carlisle City 0 - 3 Stan

A fantastic display from the Stan that had seen them dominate their promotion rivals from the first minute til the last. Ball was a virtual spectator as his back four dominated City's attack whilst Imray and Mason ran the show in the middle and Fiedler, Wilson, Baxter, Kerridge and the Patersons were always a threat upfront.

Team (4-5-1): Ball; Simpson, Hoggins, Middleton, Sayer; Mason, Imray, R Paterson, Kerridge, Wilson (Baxter 24 Min, M Paterson 74 Min); Fiedler

Subs: (Not Used): Deagle,

Goals: Fiedler 19, Baxter 26, Kerridge 64

Att: 78
