## Welcome to Grounsell Park

Good evening and welcome once again to Grounsell Park where tonight we welcome Easington Colliery.

I don't know why we don't just marry Easington Colliery to be honestly it feels like we play them every other game at the moment, in fact it's more often than that.

Tonight we are playing for the right to take on the winners of the Boldon v Tow Law game for the right to play in the 1st Division next season. I know we'd all hoped that would have been done and dusted by Saturday tea time but it wasn't to be, what a game it was though and the lads were phenomenal coming back from 2 goals down late in the match. So we go again tonight, we know it will be a challenging game so get right behind the lads from the off.

Whilst I'm here thank you do all who travelled down to Easington on Saturday. Our travelling band of brothers and sisters has swelled over the season and the last couple of games have been mind blowing. Putting 100 and at least 150 on our normal away support. We hope you've enjoyed your away days and consider doing more next season, there's some great grounds to visit in the league.

As mentioned the winners of tonight's game will play Boldon or Tow Law on Saturday and if it is us then we will be at home for the tie, so I'll make a head start on the campaign by saying if we get through, please get a long and support the lads. Let's see if we can break the gate record again.

Back to tonight though, get behind the lads from the start, it really gives them a lift. Enjoy the game, let's hope for a win and I'll see you in the clubhouse afterwards.

Howay the Stan

## Heaton Stannington - a history

Although officially founded in 1910, Heaton Stannington were in existence by 1903 and playing at Miller's Lane on the site of the current Fossway. The club name originates from its links with the Stannington Avenue area of Heaton.

In 1903-04 they finished fifth in division 2 of the Newcastle and District Amateur League. In December 1904, they resigned from the league with the reserves also appearing to have resigned from the Northern Amateur League (NAL) and there is no further record of the team until 1910. This suggests that they might have folded and then reformed nearly six years later. The summer of 1910 saw Heaton Stannington field a cricket team. The next football match played by the Stan appears to have been on 24th September 1910 when they were beaten 4-1 by Sandyford.

From at least 1913, home games were taking place at Paddy Freeman's Park. The club played friendly matches until joining the Tyneside Minor League in 1913 and NAL Division Two in 1914. The club were elected to membership of the Northumberland FA (NFA) on 10 September 1914, just over a month after the start of the First World War. The Stan stopped playing until 1919 as at a NFA emergency meeting on 24 November 1914 it was announced that the club were unable to take part in a Minor cup replay 'on account of not being able to raise a team as so many of their members had joined the army.'

The club spent the next 19 years in NAL Division One and gained their first trophies in 1934 and 1936 when they won the Tynemouth Infirmary Minor Cup and NAL Challenge Cup respectively. The first glory season came in 1936-37 when the club won NAL Division One, were Northumberland Amateur Cup winners and NAL Challenge Cup runners up. The reserves were also NAL Division Two runners up. For one season, 1938-39, the Stan participated in the Tyneside League and were runners up. By the 1930s the team were playing at the Coast Road ground. In October 1935, they started playing at Newton Park in High Heaton on the site of a recently filled-in quarry. In 2007, the ground was renamed Grounsell Park in honour of the service given, both on and off the pitch, by Bob Grounsell.

One of the most memorable matches played there took place in July 2012 when Heaton Stannington were beaten 4-0 by the Gabon national side. This warm-up match for the Olympics included an appearance by Pierre-Emerick Aubameyang.

The club were elected to the Northern League in 1939. They only managed one season in the league before it was suspended for the duration of the Second World War. The league restarted in 1945 but Heaton Stannington were elected, until 1946, as a non-playing member as their ground was being used by the military. After 5 consecutive bottom three finishes, the club resigned at the end of the 1951-52 season and joined the Northern Alliance until 1956.

The next 16 seasons included involvement in the NAL (1956-59), North Eastern League (1959-60) and the Northern Combination (1960-72). In 1972 the club stepped up to the Wearside League and remained there for ten years. They were forced to resign from the league in 1982 for financial reasons due to the club trustees, who had formed a limited company in 1968, putting the annual rent up from £400 to £1500.

The company then tried to build a supermarket on the ground but the planning application was defeated. In 1983 the High Court ruled that the ground belonged to the football club and the company had to relinquish ownership. The team played in the Tyneside Amateur League (TAL) during 1982-83 as Heaton United. Back as Heaton Stannington, they won the TAL in 1983-84 which was only their second league title up to this point. The next 2 seasons were spent back in the NAL where they were champions in 1985-86 as well as winning the Northumberland Minor Cup and the C&E Injections Service Shield.

For the next 27 years the club were in the Northern Alliance. After two relegations to Division One, the Stan achieved stability by spending 9 seasons in the Premier Division. The club won their highest level league trophy when they became Champions in 2012. In 2012-13, they achieved the treble by not only retaining the title but by also winning the Northern Alliance League Cup and the Northumberland Senior Benevolent Bowl.

From 1911 to the financial crisis of 1982, the club had a competitive reserve team. It played much of the inter war years in the North Eastern Amateur League before rejoining the NAL on and off for nearly fifty years but with a five-year spell in the 1960s, including two runners up spots, in the TAL. The club had an 'A' and 'B' team for 2016-17 before these teams reverted back to their previous name of Newcastle Chemfica. A reserve side was re-established in 2019 and they play in the Northern Alliance 4th tier development league. In their first season, they reached the final of the Neville Cowey Cup.

For season 2013-14, after a gap of 61 years, the Stan returned to the Northern League. They were in the promotion race throughout the season and finished 5th. They then finished 9th and qualified for the FA Cup for the first time in 39 years. Season 2015-16 saw the Stan again finish 9th and they also reached the semi-final of the Northumberland Senior Cup against Blyth Spartans. In 2016-17, the Stan surprised many by just missing out on promotion in the 2<sup>nd</sup> last game of the season, coming 4th after winning 11 games in a row starting in January. In 2017-18 & 2018-19 they were again in the promotion race until the 2<sup>nd</sup> last match, ending 5<sup>th</sup> and 4<sup>th</sup> respectively. Due to covid, the 19-20 season was declared null & void with the Stan still challenging for promotion in 5<sup>th</sup> place after 28 games. Last season was also abandoned with the Stan in 11<sup>th</sup> place having played 12 games.

Since the club gained promotion to the Northern League, improvements have been made to Grounsell Park including floodlights, a stand and a new terracing. These complement the existing facilities which include a bar serving real ale with the club being voted CAMRA Tyneside club of 2018 and 2020. Much of the success was due to Derek Thompson, manager 2002-21, along with the support of an increasingly large band of volunteers. In June, Dekka stepped down and was replaced by Dean Nicholson.

## NEXT UP ON THE ROAD

There will be no more away games until next season.

## **Newcastle University 0-2 Heaton Stannington Northern League Division 2, Saturday 16 April 2022**

The Stan earned a deserved win against a hard-working University team at Kimberley Park, Prudhoe. There was 2 changes from the win against Easington last Saturday with Hall replacing Watson and Burn replacing Esdaille.

On a hot & sunny afternoon, it was made clear to the Stan in 3 minutes that they would need to work for the required victory when Regan was forced to make a great save with the resulting corner being cleared. Hopper then had a shot blocked for a corner &, after much battling between the 2 teams, he saw a headed effort from a free kick put out for another corner by Dekanski the home keeper. From the corner, a curving effort by McBryde went just over. 2 minutes later and Proctor made a great run passing to Holmes whose effort was blocked for a corner. From the resulting 3 corners, Dekanski & his defence had to work hard to clear. In 14 minutes, Stephenson's free kick into the box saw McBryde shoot just wide. It was then mainly Stan pressure until the next Uni attack in 19 minutes. Both teams were trying to attack although the next dangerous effort didn't come until 26 minutes when the home sides' No5 made a solo run and shot just over.

Soon after the Uni shot over again. There was a lot of battling in the middle of the pitch although the Stan were quieter until 36 minutes when both teams had a couple of attacks. The last 5 minutes of the 1st half saw some more Stan pressure with Dekanski having to clear a Proctor header in 42 minutes. Stephenson then sent a ball up to Proctor who put it wide when he had a good chance to score. The Uni remained a threat though with the battling continuing. The half finished with a speculative Uni long range effort that went just wide followed by a sustained Stan attack where no one could get a clear shot until McBryde put the ball just wide.

The Stan started the 2nd half positively despite the pressure on them to score after a blank 1st half. It was the Uni though who had the 1st clear effort of the half in 52 minutes when Regan had to make a great full stretch save. The much needed 1st goal eventually came in 56 minutes with the Stan's 1st clear effort of the half when Luke won the ball & passed to Proctor who supplied the advancing Holmes who comfortably shot into the net under pressure. Proctor had to be replaced by Walsh 2 minutes later due to injury.

The Stan kept the pressure on until the 66th minute when the Uni had another attack although the Stan counter through Walsh came to nothing. In 69 minutes, the Stan Army's nerves were tested when a deflected home shot saw Regan's great save hit the post before he pushed the ball wide. Well done Dan. In 70 minutes, a Stephenson free kick was sent into the crowded home box but McBryde put it wide & over. The Stan kept the pressure on & Holmes shot just wide from a Stephenson cross. 2 minutes later though the Uni did have an attack & a resulting corner cleared & they shot wide 3 minutes later. The Uni were looking more dangerous now although the much needed 2nd Stan goal came in 79 minutes & what a goal it was! Holmes won a corner & Walsh sent a perfect corner ball into the the box which saw Hopper confidently head over everyone into the back of the net. Dean reinforced the team with 2 more subs but neither team stopped trying to attack but without any more clear efforts.

**Alistair Stoddart:** A Stan stalwart. Experienced defender who can play in either fu

## Easington Colliery 2-2 Heaton Stannington Northern League Division 2, Saturday 30 April 2022

A both excited & nervous Stan Army of over 200 travelled to the Durham coast on league title decision day. There was only one change from the win against Newcastle University two weeks ago with Burn replacing Esdaille.

After good build up, a Stephenson cross into the box was caught by the home keeper. In 14 minutes, Easington had a speculative effort from the edge of the box saved by Regan. Hopper then shot over under pressure from a tight angle. Hopper then got into the box again & passed to Proctor who was brought down but nothing was given. A sustained period of Stan pressure saw Stephenson, Hopper & McBryde have efforts but all came to nothing. Easington then put on some pressure before the Stan had their best chance so far to score in 27 minutes but wasted it. Proctor supplied Holmes who advanced into the box & had a great chance to shoot but instead passed to McBryde who was blocked. 3 minutes later & Proctor shot over. The rest of the half saw plenty of action in both halves with the pattern mainly being the Stan attacking followed by Easington counter attacks. McAndrew was working hard at the back & Hopper was trying to create chances as often as possible. The Stan put lots of pressure on the home goal in injury time, especially through Hopper & Carr, which included McBryde heading just wide.

The second half saw the Stan kicking down hill & with a breeze, but increasingly blustery one, behind them. News that a win was required, as Carlisle were also winning, appeared to spur on the Stan who dominated the opening period but were thwarted by the home defence. In 54 minutes, a good build up by Holmes saw Hopper shoot straight at the keeper & 2 minutes later McBryde was brought down in the box but nothing was given. Burn then sent a long shot wide. Easington's 1<sup>st</sup> clear attack of the 2<sup>nd</sup> half saw Proctor make contact with a home player just inside the box. Easington's Elliot scored the resulting penalty to go 1-0 up in 58 minutes against the run of play. In 62 minutes, Walsh replaced Proctor & started by passing to Holmes in the box who under pressure shot over. Apart from this, the goal appeared to have a negative effect on the Stan & this was reinforced in 65 minutes when Easington scored again. A home attack initially saw Regan clear with his feet then Hall cleared again but the ball went back to Guy whose long-range effort was sent into the back of the net.

The Stan's heads went up again in 70 minutes when they sent a ball into the box & **McBryde** put it away under pressure from a defender & the keeper. Holmes & McBryde were now working hard although Hopper was having a quieter 2<sup>nd</sup> half. In 74 minutes, McBryde headed at the keeper who dropped the ball for a corner which was waived by the wind. In 78 minutes, there was a good opportunity when a long ball to Walsh saw him move into the box & shoot wide under pressure. In 78 minutes, centre half Esdaille came on up front as the Stan sought the 2 required goals although it was McBryde who then had an effort cleared by the keeper. It was mainly all Stan for the remainder of the match, with continuous attempts by them to score, but with Easington trying to slow things down. Many of the efforts were through Regan long balls but with Walsh also trying to cross into the box when he could & in 86 minutes his cross to Esdaille was put wide. Easington did hit the side netting in 88 minutes before the home keeper had to catch from a Walsh effort. The deserved equaliser came in 90 minutes when a ball into the home box was cleared but was sent into the box & a hand ball saw a penalty awarded which was put away by **Hopper**. In the 5 minutes of added time, Easington started with 2 attacks that came to nothing before the Stan pressurised for the elusive winning goal. Everyone, including Regan, went up for a Stan corner which unfortunately Walsh put into the side netting. Easington then had to clear twice but with the atmosphere electric but also tense the final whistle was blown.

# Easington Colliery Club History

Easington Colliery AFC were founded as Easington Colliery Welfare in 1913. Upon forming, they joined the Wearside League – a league where the Colliers have played much of their history. Easington Colliery were runners-up in the Wearside League in 1928-1929, before going one better to win the title in the 1929-1930 season. Despite failing to defend the title, Easington won the Monkwearmouth Charity Cup for a first time in 1931, before winning the Wearside League title again in 1931-1932.

The 1932-1933 season was a fine season for Easington Colliery as they completed the league and League Cup double. However, the good times didn't last, and after finishing bottom in 1937, the club left the Wearside League. The club re-entered the Wearside League in 1939, but the Second World War interrupted momentum. Post-war, the club went through a successful period. A league and Monkwearmouth Cup double was completed in 1947-1948, and another league title followed in the following season. Possibly the most momentous season in the club's history came in the 1955-1956. Having beaten Seaham Colliery Welfare, Silksworth Colliery Welfare, Consett and Horden Colliery Welfare in the qualifying rounds, Easington Colliery reached the First Round Proper of the FA Cup. Tranmere Rovers were the visitors. A record crowd of 4,500 packed into the Welfare Park, but Tranmere claimed a 2-0 win. The club disbanded in 1964, but reformed nine years later and re-joined the Wearside League. In their first season back in the Wearside League, 1973-1974, Easington finished as runners-up, agonisingly missing out on the title on goal difference. The club merged with Easington Rangers, a Houghton and District League side, to form Easington Colliery AFC.

Easington Colliery applied to join the Northern League in 1984, but their application failed. The club applied for the Northern League once again the following season, and with the main stand at the Welfare Park now complete, the club was accepted into the Northern League. Their first ever Northern League game saw the Colliers defeat Esh Winning 5-2. The Colliers finished as runners-up to Newcastle Blue Star in their first Northern League season, losing only four games and scoring 101 goals. Promotion to Division One followed. The club reached the final of the Durham Challenge Cup for the very first time, only to lose to Bishop Auckland at Roker Park in Sunderland. Reaching the Fourth Qualifying Round of the FA Cup was another achievement of the 1987-1988 season.

In 1990, the club finished bottom of Northern League Division One and were relegated to the Second Division. However, their stay in Division Two didn't last long as a third-place finish in 1990-1991 earned promotion back to Division One. After two seasons back in Division One, a third bottom finish in 1993 resulted with relegation. Three steady Division Two seasons were played before promotion back to Division One, where they stayed for five years. With relegation from Division One at the end of the 2001-2002 season, the Colliers finished fifth, seventh, 19th and 19th before being relegated to the Northern Alliance. Two tough seasons were spent in the Northern Alliance, before lateral movement put the Colliers in the Wearside League. After finishing in the top seven in each of their first four seasons back in the Wearside League, the club were promoted back to the Northern League after the 2010-2011 season. Only one season was spent in the Northern League this time around, as the Colliers finished bottom with just 22 points from 42 games. After rebuilding in the Wearside League, the club were runners-up in the Wearside League in 2014-2015. However, with Stockton unable to be promoted due to ground grading, the Colliers were promoted to the Northern League Second Division for the 2015-2016 season. A superb sixth place finish came in our first season back in the Northern League, with 76 points from 42 games. We finished seventh in Division Two in 2016-2017, missing out on qualifying for the FA Cup by 0.7 of a point. Following a tough start, the ship was steadied in the 2017-2018 season to finish a respectable 10th.

The current squad at the Welfare Park is one of youth, and most of the players have now had a couple of years of Northern League experience. The Colliers were top of the league in the 2020-2021 season until a points deduction and the season being declared null and void, and under the new management of Lee Haldane, Paul Wardle and Alan Bate, an exciting season is expected at the Welfare Park.
